Summer Internship Letter

Intern Name: Suleman Musarrat
Position: MERN Stack Developer Intern
Duration: October – February 2026
Stipend: 30,000 PKR/month

Suleman Musarrat,

We are pleased to offer you a paid internship as a Mern Stack Developer with SMB DigitalZone for the summer term. Your internship will last three months, from October to November 2026, and your monthly stipend will be 30,000 PKR. October won't be calculated as it's not a full month.

During this time, you will work closely with our development, Marketing, and strategy teams to contribute to live projects while gaining valuable industry experience. Your performance, learning progress, and overall attitude will be evaluated continuously.

Exceptional outcomes may lead to a Junior Mern stack Developer offer upon completion of your internship.

Please confirm your acceptance of this offer by replying to this message or signing below.
We are looking forward to an impactful summer together.

Warm regards,

Simo Berrada
